However, in case of the candidates belonging to SC/ST and any other groups classified by the Government of Karnataka for such a purpose from time to time, the University Regulations governing PG Program shall be applicable.

Attendance: 75% Attendance is mandatory for the student in each Course / Paper to appear Examination.

Course Matrix of CBCS for PG Programmes is as follows

Type of Course and Abbreviation		Credit Per Course	PG Political Science	Total
Hard Core Theory	HCT	5	16	80
Soft Core Theory	SCT	5	4	20
Open Elective Theory	OET	2	2	4
Total Papers of PG Programme		12	22	104

- Internal Assessment component will be for 20% Marks (for Theory) for a course. There will be no IA tests for Dissertation / Project Report. However, there will be 20% Marks for viva voce examination.

Project Work is mandatory to the Fourth Semester

- **Topic** for the Project Work can either be selected by the Student or suggested by the Faculty on the issues related to : Specialization Elective Course or Core Courses or latest developments, or current issues in Political Science at the beginning of the Third Semester.
- **Submission of Project Work** by the Students to the Department shall either be before the end of the Fourth Semester [i.e., on or before the last working day of the Semester].

REVISED SYLLABUS

- **Marks for the Project Work: 80+20= 100 Marks.**
- **Viva-Voce Examination:** Viva-Voce shall be conducted in Adikavi Sri Maharshi Valmiki University Campus, Raichur on the Project Work submitted by the students during completion of the Fourth Semester.

PATTERN OF QUESTION PAPER FOR SEMESTER END EXAMINATION

Pattern of Question Paper shall consist of very short / short and long answer questions.

Pattern of Question Paper for Final Exam:

Section A: (Answer four questions out of seven questions) 4 Questions x 5Marks for each Question = 20Marks.

Section B: (Answer any three questions out of five questions) 3 Questions x 10 Marks for each question = 30 Marks.

Section C: (Answer any two questions out of three questions) 2 Questions x 15 Marks for each question = 30 Marks.

Written Examination= 80 Marks

Pattern of IA: [10 Marks for Test & 5 Marks for Assignment / 5 Marks for seminar] = 20 Marks

TOTAL= 100 Marks

HCT 1.1 :INTRODUCTION TO POLITICAL THEORY

Course Objective:

The Political Theory course aims to introduce students to the essential concepts, issues and ideologies that form the foundation of political thought. It focuses on:

- Differentiating between Political theory, Political Philosophy and Political Ideology.
- Exploring key Political Issues Such as state, Power, Legitimacy and Alienation.
- Examining central Political Concepts, Including Justice, Liberty, Equality and Rights.
- Engaging with Major Political Ideologies like Liberalism, Socialism, Multiculturalism, Feminism and Green Political theory to analyze their relevance to Contemporary Politics.

By the end of the course, students will develop critical thinking skills and theoretical insights that help them understand and apply political ideas to real-world issues.

Course Content:

Unit I: An Introduction to Political Theory

- Concept and Nature of Political Theory: Meaning, Definition, evolution and characteristics of Political Theory.
- Scope and Significance of Political Theory: Theoretical frame works, relevance to governance and contemporary political systems.
- Distinction between Political Theory, Political Philosophy and Ideology: Comparative analysis of theory, philosophy and ideology in political thought.

Unit II: Key Issues in Political Theory

- The State and Civil Society: State formation, functions and the role of civil society in politics.
- Political Power and Authority: Definitions of power, authority, legitimacy and their impact on governance.
- Political Alienation and Legitimacy: Causes and consequences of political alienation and the need for legitimacy.

Unit III: Key Concepts in Political Theory

- Justice and Equality: Theories of justice, Rawl's theory of justice, distributive justice and political equality.
- Liberty and Rights: Positive and negative liberty, individual rights and their role in governance.
- Political Obligation: Nature of political obligations, citizen duties and justifications for obedience.

CHAIRMAN
Department of Political Science
Raichur University, Raichur

REVISED SYLLABUS

Unit IV : Major Political Theories

- Liberalism: Key principles of liberalism, individual rights and collective ownership.
- Multiculturalism and Identity Politics: Cultural-pluralism, identity politics, group rights and diversity.
- Feminism and Green Political Theory: eco-feminism, environmental sustainability, eco-politics and social justice.

Unit V : Major Political Discourses

- Secularism: Concept, Evolution, Relevance and Contemporary Challenges In Indian Context
- Communalism : Nature and Consequences
- Marxism : Class Struggle and Critique of Capitalism

Course Outcomes:

1. Understand Key Concepts: Grasp core political concepts like justice, liberty, equality and rights.
2. Distinguish Theories and Ideologies: Differentiate between political theory, philosophy and ideology.
3. Analyze Political Issues: Critically assess key issues like state, power, legitimacy and civil society.
4. Evaluate Political Theories: Engage with major ideologies—liberalism, socialism, multiculturalism, feminism and green theory.
5. Apply Theory to Practice: Use political theory to analyze and address real-world political challenges.

This course empowers students with critical thinking skills and theoretical insights, enabling them to analyze, evaluate and apply political theory to contemporary political and social issues effectively.

REVISED SYLLABUS

HCT 1.2 :DEBATES ON CONTEMPORARY POLITICAL THEORIES

Course Objectives

- This course seeks to introduce the students to major approaches in the origing political life and to the major concepts in the discourse of politics.
- The course tries to make the students understand how the social and power relations are theorized by various theoretical projects.

Course Content

UNITI: Debates on freedom

- Freedom as autonomy (Kant, Mill)
- Negative vs. Positive Liberty (Berlin, Mac Callum)
- Freedom as Development (Sen)

UNIT II: Debates on Equality

- Equality of Opportunity and Structural Inequalities
- Gender Equality and Inter sectionality
- Protective Discrimination and Social Justice

UNIT III: Debates on Justice

- Consequentialist vs. Deontological
- Global Justice and Human Rights
- Communitarian and Feminist Conceptions

UNIT IV : Debates on Rights

- Moral vs. Legal conceptions
- Positivist and the Marxist Theories of Rights
- Human Rights vs. Cultural Relativism

UNIT V : Debates on Identity Politics

- Caste Politics : Dalit Assertion and OBC Mobilization
- Regional and Religious Identity
- Gender : Feminist Activism

Course Outcomes:

Upon completing this course, students will:

- Understand Key Concepts: Grasp debates on freedom, equality, justice and rights.
- Analyze Theoretical Approaches: Critically assess various political theories and their implications.
- Engage with Contemporary Issues: Connect theoretical frame works to current political challenges and debates.

CHAIRMAN
Department of Political Science
Raichur University, Raichur

REVISED SYLLABUS

- Apply Theory to Practice: Use theoretical insights to inform discussions on social justice and human rights.
- Appreciate Interdisciplinary Connections: Recognize the interplay between political theory and fields like sociology and economics.

Students will emerge equipped to engage thoughtfully with contemporary political discourse and contribute meaningfully to debates on justice and equality.

REVISED SYLLABUS

HCT1.3 :THEORIES OF DEMOCRACY AND DEVELOPMENT

Course Objective

This course aims to explore the intricate relationship between democracy and development, focusing on their conceptual foundations, theoretical frameworks and real-world applications. Students will analyze the evolution of democratic thought and the shifting paradigms of development, considering both classical and contemporary perspectives. The course also highlights the global challenges to democracy and development, with special emphasis on case studies from various countries.

Course Content

Unit I: Foundations of Democracy and Development

- Concept and Evolution of Democratic Theory: origins and evolution of democracy.
- Nature and Determinants of Development: the changing nature and key factors driving development.
- Significance of Democracy and Development: Importance of these concepts in shaping political, social and economic landscapes.

Unit II: Core Theories of Democracy and Development

- **Classical and Modern Democratic Theories:** Key principles and models in democratic thought.
- Theories of Development: Modernization, Marxist, Dependency and Structuralism
- Democracy's Core Principles: Political freedom, equality and popular participation.

Unit III: Democracy as a Perpetual Revolution

- Dynamic Nature of Democracy: Evolving process, active citizen engagement and continuous adaptation.
- Key Paradoxes: Popular sovereignty, elite control, inequality tensions.
- Governance Implications: Grass roots participation, cultural relevance, effective democratic practices.

Unit IV: Models of Development

- Socialist Model
- Capitalist Model
- Welfare Model

Unit V: Global Challenges and Contemporary Trends

- Democracy in Practice: India, America and Bangladesh.
- Development Challenges in Globalization: Economic and political struggles in India and Brazil.
- Recent Trends in Development : Sustainable and inclusive development, resistance to displacement and post-structural critiques.

CHAIRMAN
Department of Political Science
Raichur University, Raichur

REVISED SYLLABUS

This course examines the relationship between democracy and development, providing insights into their theories, principles and global implications.

1. Understanding of Democratic and Development Theories: Students will grasp the origins, evolution and significance of key theories of democracy and development.
2. Critical Analysis of Core Theories: Learners will critically assess classical and modern theories, including modernization, Marxist and dependency models.
3. Application of Theoretical Knowledge: Students will apply theoretical insights to analyze democratic practices and development challenges in countries like India, America and Brazil.
4. Engagement with Global Trends: Learners will evaluate contemporary trends in sustainable and inclusive development and address the challenges posed by globalization.

Students will critically engage with democracy and development, preparing to advocate for sustainable governance and social equity in their communities.

HCT 1.4 :ADMINISTRATIVE AND ORGANIZATIONAL MANAGEMENT THEORIES

Course Objective

The course aims to provide students with a comprehensive understanding of the foundational and contemporary administrative and organizational management theories. It focuses on the evolution of administrative thought, the principles of effective management and the impact of emerging trends such as good governance, social equity, e-governance and globalization. The objective is to equip students with analytical tools to critically engage with administrative practices in both historical and modern contexts , fostering their ability to apply these concepts in real-world public administration and management scenarios.

Course Content:

Unit I: Foundations of Administrative Theory

- Concept and Nature of Administrative Theory: Meaning, definitions and characteristics.
- Scope and Importance in Public Administration
- Historical Evolution of Public Administration: Development of public administration as an academic discipline.

Unit II : Principles of organization

- Hierarchy
- Unity of Command
- Span of Control

Unit III : Foundations of Administrative Thought and Practice

- Kautilya's Principles of Governance: Insights from ancient Indian political philosophy.
- Scientific Approach: Wilson, F.W. Taylor and Elton Mayo
- Chester Bernard, M.P. Follet and Max Weber

Unit IV: Classical and Modern Management Theories

- Gulick & Urwick's Organizational Insights: organizational structure and management principles
- Herbert Simon, Rensis Likert
- Peter Drucker, Chris Argyris, Douglas McGregor

Unit V: Emerging Trends in Public Administration

- New Public Administration Paradigm: Focus on social equity and responsive governance (Dwight Waldo, George Frederickson)
- Principles of Good Governance: Robert Dahl, Amartya Sen
- E-Governance and Globalization Impact: Influence of technology and global dynamics on public administration (Manuel Castells, Jane Fountain)

CHAIRMAN
Department of Political Science
Raichur University, Raichur

REVISED SYLLABUS

By the end of the course, students will:

2. Grasp key concepts, nature and evolution of administrative theory.
3. Analyse classical and modern administrative thinkers like Kautilya, Wilson and Chester Bernard.
4. Apply management theories from thinkers like Gulick, Herbert Simon and Peter Drucker.
5. Understand emerging trends such as New Public Administration, Good Governance and E-Governance.
6. Develop a critical understanding of social equity and responsive governance in public administration.

This course equips students with essential knowledge and practical insights to navigate and contribute effectively to modern public administration and organizational management.

REVISED SYLLABUS

SCT 1.1 (A) : COMPARATIVE POLITICS

Course Objective:

This course aims to provide an in-depth understanding of Comparative Politics by exploring its theoretical foundations, methodologies and practical applications. The course addresses variations in political systems and processes, focusing on political development in Third World countries. It emphasizes alternative theoretical models, paradigms of development and underdevelopment in Comparative Politics.

Course Content:

Unit I: Foundations of Comparative Politics

- Evolution of Comparative Politics: Meaning, Nature and Scope
- Approaches to Comparative Politics: Political Sociology, Political Economy and structural functionalism approaches.
- Core Concepts: State, Nation and Democracy: Theoretical understanding in comparative context.

Unit II: Approaches to Comparative politics:

- Behavioral Approach
- System Approach
- Marxist Approach

Unit III: Comparative Political Systems and Institutions

- Constitutions and Political Institutions: Comparative analysis of India, UK & USA
- Political Culture and Socialization: Meaning and components
- Party Systems and Political Participation: Types of party systems and their role in democratic participation.

Unit IV: Political Development and Modernization

- Political Development: Lucian Pye and Marxian perspectives.
- Modernization and Social Change: theories and their relevance to social change in politics.
- Elite Theory and Political Change: Analysis of elite theory by Pareto, Mosca, Michels and C. Wright Mills.

Unit V: Comparative Political Movements and Emerging Trends

- Comparative Perspectives on Regimes: Analysis of parliamentary, military and communist regimes in global contexts.
- Political Movements: Women's (Suffragette Movement, The Women's March), Environment(Climate Change) and Human Rights(Civil Rights Movement, Anti-Apartheid Movement)
- Emerging Trends in Comparative Politics : Democratization, Globalization and the resurgence of democracy.

CHAIRMAN
Department of Political Science
Raichur University, Raichur

REVISED SYLLABUS

By completing this course, students will:

1. Gain a comprehensive understanding of the evolution, nature and scope of comparative politics.
2. Develop analytical skills to compare political systems, constitutions and institutions across countries like India, the UK and the US.
3. Understand key political theories, including modernization, elite theory and political development and their relevance to social change.
4. Analyze global political movements such as women's rights, environmental activism and human rights campaigns, while exploring emerging trends like democratization and globalization.

This course equips students to critically assess political systems and movements in a global context.

REVISED SYLLABUS

SCT1.2 (B): DEBATES ON CONTEMPORARY INDIAN POLITICS

Course Objective

- To understand the dynamics of contemporary Indian politics, focusing on governance, electoral reforms and participatory democracy.
- To explore the role of women in Indian politics and their contribution to social movements and policy reforms.
- To critically examine key social issues such as communalism, secularism and affirmative action in India.
- To analyze India's foreign policy, nuclear disarmament and its international relations with major global powers.

This course aims to equip students with an in-depth understanding of Indian politics, governance and India's evolving global role.

Course content

Unit I: Governance, Political Participation and Electoral Dynamics

- **Government and Governance:** Role of participatory Governance in Promoting inclusive Decision-Making.
- **Political Participation and Women:** Political Participation and representation of women in Indian political institutions.
- **Electoral System and Reforms:** India's electoral processes, reforms and challenges

Unit II: Institutional Frame work and Judicial Reforms

- **Parliament and Executive:** Roles, structures and challenges in Indian Legislative and Executive branches.
- **Judiciary and Judicial Activism:** judicial activism and its role in promoting social justice.
- Federalism and Parliamentary Democracy

Unit III: Democracy in India

- Nature and Structure of Indian Democracy: Elections and Election Commission
- Process of Indian Democracy: Party System and Interest Groups
- Women in the Political Process and Electoral Politics

Unit IV: Social Movements, Affirmative Action and Policy Reforms

- Challenges to the Reservation Policies in India
- **Women's Movements in India:** key women's movements and their influence on policy reforms (e.g., women's rights, education, gender equality).
- **Affirmative Action and Reservation Policies:** caste and gender-based reservations and their role in achieving social justice.

Unit V: Political Mobilization Affirmative Action and Policy Reforms

- Party based Mobilization
- Issues based Mobilization
- Movement based Mobilization

CHAIRMAN
Department of Political Science
Raichur University, Raichur

REVISED SYLLABUS

- Students will gain insights into the participatory nature of governance and the significance of electoral reforms in India.
- Understand the impact of women's political participation and social movements on policy-making in India.
- Critically evaluate social justice mechanisms like affirmative action and reservations within the context of Indian politics.
- Analyse India's international relations, foreign policy and global diplomatic engagements.
